Interim order to be reviewed:	Interim conditions of practice order (18 months)

Decision and reasons on interim order

The panel decided to confirm the current conditions of practice order.

Unless there has been a material change of circumstances, a panel will review the interim conditions of practice order at an administrative meeting within the next six months. The reviewing panel will be invited by the NMC to confirm the order at this meeting and Ms Suleiman-Reuben will be notified of that panel's decision in writing following that meeting.

Where there has been a material change of circumstances that might mean that the order should be revoked or replaced, or there has been a request for an early review, a panel will review the interim order at a hearing which Ms Suleiman-Reuben will be invited to attend in person, send a representative on Ms Suleiman-Reuben's behalf or submit written representations for the panel to consider. At any such review hearing the panel may revoke the interim order, it may confirm the interim suspension order or it may replace it with an interim conditions of practice order.

A panel of the Fitness to Practise Committee has still to deal with the allegations made against Ms Suleiman-Reuben. The NMC will keep Ms Suleiman-Reuben informed of developments in relation to that issue.

This will be confirmed to Ms Suleiman-Reuben in writing.

That concludes this determination.
