## Decision and reasons on interim order

The panel decided to make an interim conditions of practice order for a period of 18 months.

The panel determined that the following conditions are necessary, proportionate and appropriate:

For the purposes of these conditions, 'employment' and 'work' mean any paid or unpaid post in a nursing, midwifery or nursing associate role. Also, 'course of study' and 'course' mean any course of educational study connected to nursing, midwifery or nursing associates.

1. You must limit your nursing practice to NHS Lanarkshire.
2. You must not administer medications or be involved in medication management at any time whilst at work.
3. You must not be the nurse in charge of any shift.
4. You must ensure that you are indirectly supervised by a registered nurse. Your supervision must consist of working at all times on the same shift as, but not always directly supervised by another registered nurse.

A copy of your reflective piece must be provided to the NMC within 28 days of the next review hearing.

- a) Any current or future employer.
- b) Any educational establishment.
- c) Any other person(s) involved in your retraining and/or supervision required by these conditions.

The panel decided to make this interim order for a period of 18 months.

Unless your case has already been concluded, this interim order must be reviewed before the end of the next six months and every six months thereafter. Additionally, you or the NMC may ask for the interim order to be reviewed if any new evidence becomes available that may be relevant to the interim order.

At any review the reviewing panel may revoke the interim order or any condition of it, it may confirm the interim order, or vary any condition of it, or it may replace the interim conditions of practice order with an interim suspension order.

The NMC Case Examiners are yet to decide whether there is a case to answer in relation to the allegations made against you. The NMC will write to you when the case is ready for the next stage of the fitness to practise process.

This decision will be confirmed to you in writing.

That concludes this determination.
